Bart's Problem

Carla sat on the porch with her artwork.	8
"Do you want to help me pick corn?" asked Mom.	18
"Yes, I can help you with that chore," said Carla.	28
"It may storm so we need to be quick!" said Mom.	39
"We can walk past that flower border and go to the barn."	51
"May I ride Bart from the barn to the field?" asked Carla.	63
"That is not the best idea," said Mom.	71
"But Bart is a fast horse, and he can run farther than the others."	85
"I do not think that is smart, Carla. There is sort of a problem," said Mom.	101
"Bart can take us to the field before the storm hits," said Carla.	114
"I do not want to alarm you, but Bart cannot help," said Mom with a smile. "Bart has a bad habit. He likes to eat corn!"	140
"Oh, that is not the kind of help we need!" said Carla.	152
